

# Calidora Skin Clinic

The no-nonsense med-spa chain based in Seattle has branched out with three locations in Los Angeles. Nurse practitioners administer Botox and other dermal fillers. Aestheticians show no mercy for blemishes, even during quickie peels. A touch we love: no hard sell on the products. » 4772 Admiralty Way, Marina del Rey, 310-591-1060; 1413 Montana Ave., Santa Monica, 310-382-5280; Americana at Brand, 157 Caruso Ave., Glendale, 818-334-1023; or calidora.com.
